

Hamilton PTO . . .

Putting Together Opportunities!

Parents, teachers, students, school administration and the business community are working together to make Hamilton a better place to learn — joining efforts through Hamilton's Parent Teacher Organization.

For Parents, the Hamilton PTO means:

- Knowing your school- teachers, administration, other parents
- Better communication
- More volunteer opportunities
- A united organization that makes a difference!

For Teachers, the Hamilton PTO will:

- Raise more funds for classrooms
- Support for special projects, field trips, etc.
- Provide a forum for communicating with parents
- Help improve the physical environment

For Students, the Hamilton PTO will mean:

- More sponsored activities (dances, Spring Thing, movie nights, etc.)
- More enrichment programs to help you make positive life choices
- More activities that will increase school spirit

For the Heights Community, the Hamilton PTO means:

- An improved campus and a better neighbor
- Improved student relationships with the community
- And, ultimately, better citizens!

Join today! Your membership in Hamilton PTO shows your child that you value their education as well as that of ALL Hamilton students through the support of school wide projects. Past projects include *campus beautification, library renovations, addition of the SPARK park and Outdoor Classroom, new garden beds, and PTO's support of Hamilton's NEW track!* Visit us on the Hamilton web site at <http://www.alexanderhamiltonms.org/pto.htm>

Add to your Support and you will channel important resources to activities that will benefit your child most.

Help Students Earn Prizes! Join by September 3rd — *don't forget to ask friends, neighbors, extended family and members of the community to join too* — and your student will enjoy a free ice cream after school on Friday September 4th. Join by September 18th and your student will earn a free dress day!
